 bring learning to life™

Colours shown are indicative only

We have made our chalkboards with environmental responsibility in mind: safe, clean, and 99.9 percent recyclable. With more than twenty years of experience in creating chalkboards, we pioneered the ceramic steel writing boards - now the industry standard in India- and we still lead the market in quality and sustainability.

Schools, colleges, universities and training centers all over the country choose our chalkboard for academic and creative applications.

We make the board. You dream up the usage.
